DETAILED ACTION

APPLICANTS' ARGUMENTS

Amended claims 1-3 and 5-15 and cancelled claim 4, filed 8/22/07, are acknowledged. Applicants' arguments and amendments, filed 8/22/07 and 6/7/07, have been fully considered and are persuasive with the Examiner's Amendment below. All of the previous rejections and objections have been withdrawn.

This application is in condition for allowance except for the presence of claim 16 directed to an invention non-elected without traverse. Accordingly, claim 16 has been cancelled.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Sandra Shaner on October 16, 2007.

In the claims:

In claim 9, line 6, delete "intensityof"; replace with "intensity of".

Cancel claim 16.

REASONS FOR ALLOWANCE:

The following is an examiner's statement of reasons for allowance:

The invention is directed to a genotyping method comprising calculating a value for each probe pair via a mathematical formula and selecting an optimal probe pair having the highest value. The prior art does not disclose the method as it is claimed in the instant invention. The claim objections, 35 USC 112, 2nd paragraph rejections, and the 35 USC 102 rejection were overcome by claim amendments. The instant application is the earlier-filed application in the provisional non-statutory obvious-type double patenting rejection, so this rejection has been withdrawn. Because no outstanding rejections remain, the claimed invention is deemed allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
